### **Less than four weeks to go until the Group 1 TOPGUN: List of 22 invitees announced**

A list of 22 invitees for the Group 1 TOPGUN at The Meadows – which includes the fastest sprinters this country has to offer – has been announced, with the final field of the \$100,000-to-the-winner race to be finalised on track on October 9.

With less than four weeks to go before the running of one of Australia's premier greyhound events, trainers across the country will be fine-tuning their charges in the hope of making the final cut for the famous 525-metre extravaganza on October 23.

MGRA Manager Marg Long announced that greyhounds not listed in the group of 22 (see below) can still make their way into the final during the coming weeks.

“Obviously the MGRA has already got an amazing list of invitees together, but we do reserve the right to extend late invitations, and there are still three greyhounds that have been put up (late) for consideration,” said Long.

The list of 22 consists of nine greyhounds from New South Wales, eight from Victoria, two from Tasmania and one each from Queensland, South Australia and Western Australia.

With great entertainment already locked in for adults and children alike, The Meadows is expected to draw one of the biggest crowds of the year on October 23. Along with the running of the Group 1 TOPGUN, heats of the Group 2 Hume Cup over 600 metres will also attract the country's best middle-distance performers on the night.
