### **Mr. Metz scratched from the Group 1 Sky Racing TOPGUN**

Queensland chaser Mr. Metz has been scratched from this Saturday night's Group 1 Sky Racing TOPGUN after pulling up sore from his third-placed effort in the Group 2 Gold Coast Cup last Thursday night.

Trainer Ron Ball has raced against the clock to get the son of Bond and Iza Tora fit in time for the \$100,000-to-the-winner final, but withdrew his star chaser today.

First emergency Proven Jett will now gain a start in the Group 1 Sky Racing TOPGUN, and will begin from box six unless there is another scratching from the original field of eight. If another greyhound is scratched, the names of both Proven Jett and Magnifique (second emergency) will be drawn to determine which greyhound would start from each of the two vacated boxes.

Proven Jett – trained by Michael Carter – has won two races from four starts over the 525-metre journey at The Meadows, including a very impressive 29.83 win on September 11 from box four. His most recent Group 1 effort was when finishing fifth in the Paws Of Thunder at Wentworth Park earlier this month.
