Master trainer and Scope Manifold Heights score in Group 2 Great Chase at The Meadows

The Graeme Bate-trained Up And Away continued the outstanding start to her career with an all-the-way victory in the Group 2 Great Chase over 525 metres in front of a large crowd at The Meadows on Wednesday afternoon.

The daughter of Where's Pedro and On Shore began beautifully off box two, recording fast splits of 5.04 and 17.84 before holding off the fast-finishing Lektra Jay by a neck to score in 30.17. Reserve Kirrabilli Kruiise (box four) - who gained a start after the scratching of Compacto - finished three lengths further back in third. It was Up And Away's sixth win from just 10 career starts, pushing her prizemoney to over \$38,000 after scoring in the \$25,000-to-the-winner final.

Community group Scope Manifold Heights also benefited from the fawn chaser's victory, collecting \$5000 and the equivalent of 10 per cent of their greyhound's prizemoney winnings for the next 12 months (courtesy of Greyhound Racing Victoria) after being matched with Up And Away at the start of the series. Sports Facilitators For All in Ocean Grove won \$2000 after being paired with Lektra Jay, while south-western community group MPower earned \$1000 for Kirrabilli Kruiise's third-placed effort.

The popular Meadows afternoon meeting was attended by Melbourne Victory soccer star Archie Thompson and Melbourne Vixens netballer Bianca Chatfield, with community groups cheering on their favourite greyhounds while enjoying free entertainment and lunch throughout the day.
